FROM PASTOR CATIE

"For just as the body is one and has many members,
and all the members of the body, though many, are one
body, so it is with Christ."

- 1 Corinthians 12:12

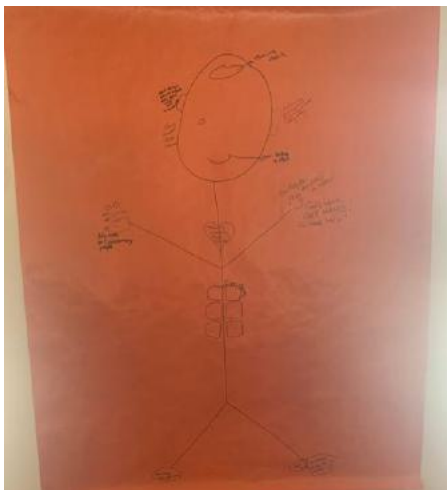

In worship last month we talked about being the body of Christ. We all use our gifts to make up different members of the same body. 1 Corinthians tells us that no member is more important than another. All members are necessary for the body to work as it is intended to!

So, we stepped outside of our comfort zones and leaned in. We got up during the sermon and added to the stick figure. Some drew/wrote what part of the body they feel they represent. Others took time to think about what they hope to do as a part of the body of Christ this year. Either way many interesting and wonderful perspectives were shared!

Our artwork includes hands, feet, ears, eye, brain, heart, mouth, and muscle. But not everyone was able to participate in our creation! So, this month I encourage you to begin or continuing thinking about the many members of the body of Christ. What role will you play? How will you keep doing the work of God through the part you drew in worship?

Peace,

Pastor Catie

FROM THE PRESIDENT

For the common good. It's the time of year when we read verses from 1 Corinthians and focus on our talents and how we can use them for the common good. Even as last year came to a close and we read about Solomon asking for wisdom, he did so not to better his own circumstances but to be a better leader for the benefit of all people. That's how I look at the people in our congregation who have stepped up to serve on Boards or on the Council. They are making decisions based on what they think would be the best for all concerned. Also at this time of year we read and hear words about the Epiphany of Our Lord. I think this is traditionally when we talk about the foreigners that we usually call the Wise Men and of course their gifts. This year the writer of a devotion brought up the idea that these were big gifts. Not in size of course because they were travelling far but very valuable gifts. Much over the years has been made as to the connection to the life of Jesus. But for us it also shows how it demonstrates that in giving a big gift your heart is also attached to the cause for the long term. As we sometimes say nowadays, they were all in. So even though we are in a new year now, stay overjoyed at the birth of Jesus and be generous for His sake and His glory. Go big in your gifts and see if this also makes you more connected. And not just with your money of course but also with your time and talent. I am always amazed at the talent of those on the boards and on the council and the time they put in. Work continues on the boiler system in the church. The Trustees keep pursuing the best road to follow as they tweak the system in order to have it run efficiently. Work is going forward on a cozy place where young mothers can take their babies when they are fussy or when privacy is needed and yet still be able to follow the service. Plans are even going forward for this summer's Vacation Bible School. Some of these plans will need your financial support as well as your donation of time. So stay tuned. I am sure I am forgetting some things also. It is nice to know that there are so many things being dealt with and planned for. So lean in and give big of your time, talent, and money.

As always if you have questions or concerns about anything please bring these to the attention of a member of our council.

Sincerely,
Robin Peterson

BAPTISMS WE REMEMBER THIS MONTH

February is the month of love - for on February 14th, Valentine's Day, we remember those whom we love. God also remembers those whom he loves. Through baptism, God has claimed us! Through the death and resurrection of Jesus Christ, God backs up his claim with actions! The objects of God's love got more than cards or flowers they have received new life! But God's love is not limited to one day of the year for God's love is never ending. For God, every day is Valentine's Day!
